Booked Whole Venue for Graduation Party event for 40 guests

+ Joshua is the kindest, biggest-hearted owner and I cannot thank him enough for making my party a huge success. We had a real problem with the external caterers and Joshua went out of his way to save the day for me - collecting items at the last minute. He and his team worked tirelessly to ensure we had an unforgettable event. I cannot rate him highly enough! He was hands-on and so kind and respectful to me and my family. The venue has also recently been extended, which was an added bonus for me to accommodate my guests. Fantastic Joshua - highly recommend!
